TILIKUM ## WICKING

Like the windswept rush you get crossing the Willamette River 180 feet above the river, the ripstop polyester fabric with open mesh gives the 835 Tilikum the best airflow a cap can offer. A six-panel construction presents a classic silhouette, while the materialization is as innovative as the pedestrian-only bridge it's named after.

TIMBERLINE * UPF PROTECTION

Located nearly 6,000 feet above sea level on the south face of Mt. Hood, Timberline Lodge stands as one of Oregon's most famous historical landmarks. Our 253 honors the history of the lodge, featuring a warm and stylish corduroy exterior and cotton twill lining to keep your head warm when mountain winds blow. A bill rope adds personality, while UPF 50+ protects you from the sun's harsh rays.
